

Hello 🖐️

This is a theme preview

Here's an example of body text. You can change its font and the color. [Your accent color will be used for links.](#) It will also be used for layouts and buttons.

To the right, this is what we call an accent image. We have a set of them with our default themes, but you can change them! ➡️

Let's get started customizing your theme!

This is a smart layout: it acts as a text box.
